50-word description	The ImageScan Pro 490ix with AmbirScan Pro software automates your card and document scanning needs. Simply insert, scan and go. Merge images, AutoScan cards and documents and without ever pushing a button. Scan duplex documents in about 10 seconds & cards in just 3 seconds.
Feature Bullet List	<p>Complete Solution. The bundled AmbirScan Pro capture software automates your scanning jobs and increases your efficiency on repetitive scanning tasks with the following features:</p> <ul style="list-style-type: none"> • QuickScan. Create custom scanning profiles and jobs for everything you capture. Configure color, resolution, size and more. Easily switch between QuickScan profiles with one click. • AutoScan. Never push a button. Scanning is smoother when the work is done for you. With AutoScan, items are automatically fed and scanned as soon as they're inserted. • Kiosk Mode. AmbirScan Pro can run in the background while you work, not requiring user interaction, leaving you with more desktop space. • Page Merging. AmbirScan Pro merges both sides of a card or document, combining images into a single file. • Designed to work. Built to last. In the office or on the road, the ImageScan Pro 490ix adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts. Rugged construction means it stands up to continuous use in commercial applications. • Scan anything, anywhere. Paper documents. Receipts. Insurance cards. The ImageScan Pro 490ix captures it all, creating high quality images in color, grayscale or black & white. No matter what you're scanning, the ImageScan Pro 490ix does it anywhere there's a USB connection. • Easy to maintain. Scanner maintenance is important to high quality images. The uniquely designed flip open top allows for thorough, easy cleaning of the scanning area, making it ideal for use in dusty or harsh environments. All ImageScan Pro 490ix scanners are factory calibrated and require no initial calibration, providing excellent image quality, right out of the box.
