50-word description	The ImageScan Pro 490ix with AmbirScan for athenahealth scans licenses and insurance cards in 3 seconds, uploading crisp, clean images to athenaNet. Ambir trusted scanners are used in over 100,000 healthcare providers and facilities. Proven for multi-year, frequent use in small practices, medical groups, urgent care clinics and hospitals.
Feature Bullet List	<p>Complete Solution. The bundled AmbirScan for athenahealth capture software automates your scanning jobs and increases your efficiency on repetitive scanning tasks with the following features:</p> <ul style="list-style-type: none"> • QuickScan. Create custom scanning profiles and jobs for everything you capture. Configure color, resolution, size and more. Easily switch between QuickScan profiles with one click. • AutoScan. Never push a button. Scanning is smoother when the work is done for you. With AutoScan, items are automatically fed and scanned as soon as they're inserted. • Kiosk Mode. AmbirScan Pro can run in the background while you work, not requiring user interaction, leaving you with more desktop space. • Page Merging. AmbirScan Pro merges both sides of a card or document, combining images into a single file. • Designed to work. Built to last. In the office or on the road, the ImageScan Pro 490ix adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts. Rugged construction means it stands up to continuous use in commercial applications. • Scan anything, anywhere. Combination of a small footprint and USB power makes this scanner ideal for use in patient registration areas. Ambir sheetfed scanners are ideal solutions when document scanning jobs are up to 10 pages. • Easy to maintain. Scanner maintenance is important to high quality images. The uniquely designed flip open top allows for thorough, easy cleaning of the scanning area, making it ideal for use in dusty or harsh environments. All ImageScan Pro 490ix scanners are factory calibrated and require no initial calibration, providing excellent image quality, right out of the box.
