25-word description	No matter what mobile means to you, the ImageScan Pro PS667ix can handle it. Its compact size & USB power works anywhere, scanning in seconds.
50-word description	No matter what mobile means to you, the ImageScan Pro PS667ix can handle it. Whether you're at a desk capturing driver's licenses, or in a hospital scanning patient IDs on a mobile cart, the PS667ix has the compact size to go anywhere and USB power to go <i>everywhere</i> .
Feature Bullet List	<ul style="list-style-type: none"> Efficient card and ID scanning. The ImageScan Pro 667ix is a rugged simplex card scanner. Because it's USB-powered, you'll never need to search for an outlet. Weighing just under one pound and about 8" long, it fits on any crowded desk, registration area or mobile cart. Professional-grade quality. The ImageScan Pro 667ix is designed to handle serious workloads. Inside, you'll find high quality imaging hardware that captures quick, clear images of identification and insurance cards. Outside, you'll find a durable shell that stands up to continuous use. Your workflow, upgraded. At just three seconds per scan, the ImageScan Pro 667ix makes quick work of capturing any card. Identification and insurance cards are handled easily, along with credit cards with raised characters. Quit wasting time with flatbed scanners. Get the right tool for the job. Easy setup. All ImageScan Pro 667ix scanners are factory calibrated and require no initial calibration, providing excellent image quality, right out of the box. Citrix Ready. Citrix Ready certification provides added assurance that our scanners have met the standards set by Citrix, confirming compatibility within the Citrix environment. Complete Solution. The included AmbirScan capture software makes your document scanning easy. Save your documents as PDF, TIF or JPG to your local PC, or to one of these popular cloud services: Box, DropBox, Evernote and Google Drive
