Sales Setup Sheet

SKU #	DS960GT-NP
UPC Code	835345005447
25-word description	With speeds up to 60 pages per minute, assignable profiles & buttons and insurance and ID card scanning, the nScan 960gt gets the job done.
50-word description	With speeds up to 60 pages per minute (ppm), assignable profiles & buttons and included Nuance Power PDF, the nScan 960gt is a professional-grade image capture device that gets the job done quickly and accurately. Its collapsible trays and insurance and ID card scanning ensure it's perfect for any environment.
Feature Bullet List	**Versatility to do More** The nScan 960gt holds up to 100 pages at a time and can scan 60 pages per minute. Powerful imaging hardware lets you capture double-sided images that are crisp and clean for fast, true-to-life scans. And with the ability to handle insurance and ID cards with ease, the 960gt is the perfect answer to all your scanning needs. **Handles High Volume** Ultrasonic Detection ensures precision scanning. Designed for high volumes, the nScan 960gt can process up to 10,000 pages per day. **Broad Compatibility** The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems. **Assignable Profile & Buttons** AmbirScan ADF-gt starts with nine scanning profile buttons assigned to easily selectable buttons on the scanner. From there you can customize the default scanning profiles, create additional profiles for your specific needs and export scanning profiles to colleagues. **Complete Solution** AmbirScan ADF-gt capture software makes scanning easy. Save scans as PDFs, TIFs or JPGs to your local computer or popular Cloud services such as: DropBox, EverNote, Microsoft OneDrive and Google Drive. **Nuance Power PDF Bundle** Included Nuance Power PDF software makes it easy to create PDF files from office documents, find features quickly with the "find a tool" function, auto-proofread and correct errors and more.
